Here are some diseases you need to know before the lecture. Pages in BSAVA manual are attached. You also can use other textbooks.

Disease	**BSAVA manual of canine and feline neurology (4th ed)**
Degenerative intervertebral disc disease (Hansen type I intervertebral disc disease)	p303
Traumatic intervertebral disc disease (acute non-compressive nucleus pulposus extrusion, ANNPE)	p304 (only 9 lines in “Hansen type I IVDD”)
Spondylosis deformans	p310
Discospondylitis	p266
Atlantoaxial instability	p259
